Baroque Music from the New World

The music written and performed in Latin America during the Colonial period (16th to early 19th centuries) has become more popular in recent years. However, even before those treasures were rediscovered, several composers from the region showed their interest in exploring the strong connections between Spanish (and European) music from the past and Latin American music. This was also expressed in the multiple similarities with early and baroque music one can find in Latin American folk music.
